Tavros Completes the Launch of Chinese Social Portal Web Sites

Hong Kong, PRC

Tavros Networks, Inc announces the opening of two more of its social portal sites for the Chinese community. NihaoNow.com and Hey Mei Mei.com are both live and active today. "This is a milestone event for the users of personal web social portals as there is no entity that fills this niche quite like Tavros has done", according to Lashley Banks, the Tavros Marketing Vice President.

"The site is targeted for those young active Chinese professionals in the US, Hong Kong, China and the rest of Asia that settle for nothing but the best in their lifestyle" he went on to say. Comments from the targeted segment in Los Angeles include superlatives such as "cool, good stuff, and trendy"

About Tavros Networks, Inc.:

Tavros Networks, Inc. (TNI) is a US based International Network Service Provider that builds designs and operates international data networks for the world's International Carrier Industry. Today, Tavros Networks, Inc. maintains its headquarters in the US, as well as contact offices in Hong Kong.

Forward-looking Statements:

Tavros has included in this press release certain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. "Forward-looking statements" consist of all non-historical information and include the analysis of historical data in this release. Actual results could differ materially from those projected in the Company's forward-looking statements due to numerous known and unknown risks and uncertainties including, among other things, unanticipated technological difficulties, the volatile and competitive environment for Internet telephony, changes in domestic and foreign economic, market, and regulatory conditions, the creditworthiness of our customers, uncertainty in legal proceedings and other considerations.
